**Foothills Public Shooting Complex Receives Grant from  
N.C. Youth Outdoor Engagement Commission**

**SHELBY, N.C.**– The Foothills Public Shooting Complex is pleased to announce that it has received a grant from the North Carolina Youth Outdoor Engagement Commission. This generous funding supported the purchase of new range vehicles to enhance the experience for participants at a variety of events hosted at the complex.

The vehicles will be used to assist in moving participants around the range during events such as Archery, Metal Madness, Steel Challenge, and Skeet, among others. The addition of these vehicles will help improve event logistics and provide a more efficient and enjoyable experience for all attendees.

"We are incredibly grateful for the support from the NC Youth Outdoor Engagement Commission," said Sandra Orvig, Director at Foothills Public Shooting Complex. "This grant will significantly

enhance our ability to serve the community and provide an even higher level of service to participants in our programs."

The Foothills Public Shooting Complex remains committed to providing top-tier facilities for shooting sports enthusiasts and fostering community engagement in outdoor activities.
